RE: Pesticide Excavation and Verification Sampling
341 East Ohio, Chicago, Illinois
Lindsay Light II Site/North McClurg Court

Dear Mr. Berggreen:

This letter is in response to your facsimile dated July 31, 2002 regarding U.S. EPA signoff on the pesticide verification sampling. We have reviewed your facsimile and the letter dated March 15, 2002 from Renee Cipriano, Director of the Illinois Environmental Protection Agency (Illinois EPA) to James Montana, Jr., Piper, Marbury, Rudnick & Wolfe. We agree that our signoff of the pesticide verification sampling will expedite remediation activities as long as the excavation meets the residential clean-up objectives specified by Illinois EPA. Therefore, please provide us with the pre-verification immunoassay results, the laboratory verification analytical results and sign-off form for each applicable grid.

If you have any questions regarding this correspondence, please contact me at (312) 886-3601 or Fred Micke, On-Scene Coordinator, at (312) 886-5123, or Larry Jensen, Senior Health Physicist, at (312) 886-5026.

Sincerely,

Verneta Simon
On-Scene Coordinator
